

Community Resources For International Students

Compiled by the Greater University Tutoring Service (GUTS)
<http://guts.studentorg.wisc.edu>

► **David's Free English Classes**

David Fritzke offers free English classes throughout the fall and spring semester for students of all levels of English proficiency. During class international students practice their English speaking and listening skills while learning about American culture and idioms. The class often discusses American movies or television shows as well as newspaper and magazine articles.

► **Midwest Teacher Training Program (MTTP)**

MTTP is a 5-week, 130 hour program with 10 hours of practice teaching English. This provides you with much more training and practice than the average 4-week TEFL program. Graduates have found teaching jobs in over 40 countries. Both native and nonnative speakers of English have graduated from Midwest and have found jobs teaching overseas.
